OneDrive Setup for WITC Students

1. Double click the OneDrive icon on the taskbar (gray cloud)

2. Enter your studentid# followed by witc.edu in the sign in box.
   Example: 12345678@witc.edu
3. Click on Work or School. Note: You might receive a prompt for a password. If so, just click in the password box and it will automatically enter it.

4. Click next to keep the default location for OneDrive.
5. Choose what folders you would like to sync to your computer from OneDrive and click next.

6. That is it! You’re all done!
